

## 3 Easy Cards using the Just My Type Stamp Set

### General Assembly Directions for all cards:

Prepare Card Base

Adhere Layer 1, followed by Layer 2, and so on.

Stamp the needed images, fussy cut out as needed.

The typewriters and some of the other extras are raised on Dimensionals.

Add inner layer inside card and decorate as you wish.

Add the Designer Series Paper to the exterior of the envelope flap and trim off excess.

If needed refer to the individual blog posts listed below.
